Morris,

During the LA Fleet Week event, we were in search of water to fill up the water barricades. LAPD wants us to use the water barricades to increase safety of our events. Having said that, if you let me know how much water we consumed I will pay you for use of it.

We also have our annual event Dia de los Muertos signature event on October 30th. I wanted to ask you ahead of time if we could use your water to fill the barricades and how much that would cost. If you don't know yet, we can work out the details later.

Thank you.
